ABOUT US

Moonlight PET Flakes and PET Strap Industry is one of the largest PET strap manufacturing company in Bangladesh, has contributed to the development of packaging industry by providing the best quality of PET strap. PET Strapping band is widely used as a new strapping packaging material to replace steel belts and PP packing belts.

We are an ISO 9001:2015 certified company. We believe in Best Quality, Best Price and ensures before & after sales service quality as our core business strategy. As result of our continuous development, we have been supplying the best quality of PET strapping with reasonable price since our establishment in 2018. In order to enhance the value of your product, in order to contribute to saving your packaging cost, in order to give you the highest satisfaction with our PET strapping, we will do our best as we always do so.

Moonlight PET Flakes and PET Strap Industry is not only the first company in Bangladesh who produce PET strap but also reached the highest production capacity in strapping sector in region. We care about environment. We recycle plastic bottles from which we manufacturing eco friendly PET strap.

Monthly Production Capacity : PET Flakes : 1500 MT & PET Strap : 450 MT.
